

Professional Motorcoach Operator

Job Description

A Greyhound Motorcoach Operator is a person capable of leadership, great responsibility, flexibility, communications skills, and initiative. As the face of Greyhound, safe on-time driving, excellent customer service, dependability and professionalism are the corner stones of this career. You are always in the public eye so professional dress and behavior is a required at all times. You must communicate effectively with customers. You must be able to lift baggage and packages weighing as much as 100 pounds. You are on-call 24/7 and at times you may be away from home for three or more days. You accurately complete detailed records such as passenger counts, driving logs and safety records. The ability to speak Spanish is an asset.
